

# This is my Chair!

By Uli Mortiz

This is my chair, (Clap) This is my chair, (Clap) This is my chair, (Clap) (clap, clap, clap. clap)  
Sitting in chair - Patsch Knees. Clap on rest

Sud-den-ly I walk a - round, with my lit-tle clap-ping sound  
Stand up and walk around chair clapping rhythm

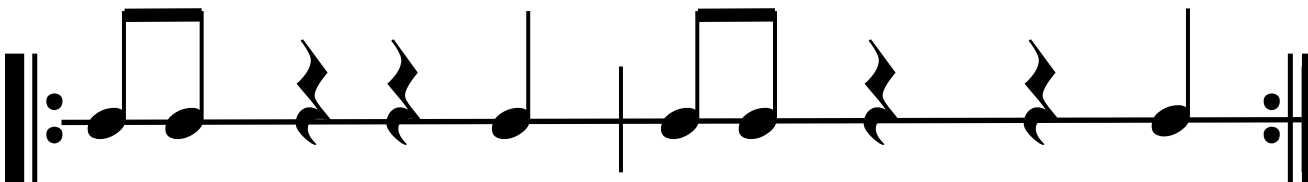

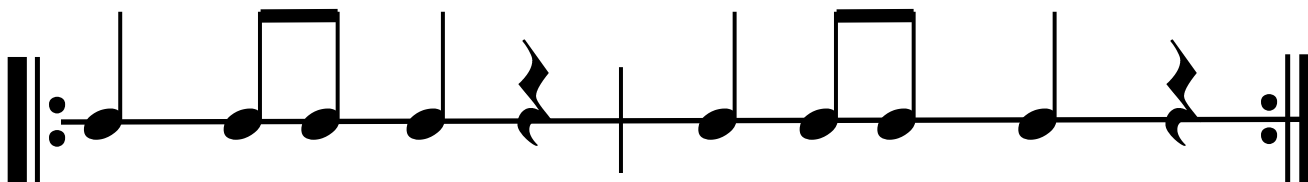

Then I make a drumming sound  
Drum on Chair while walking around it

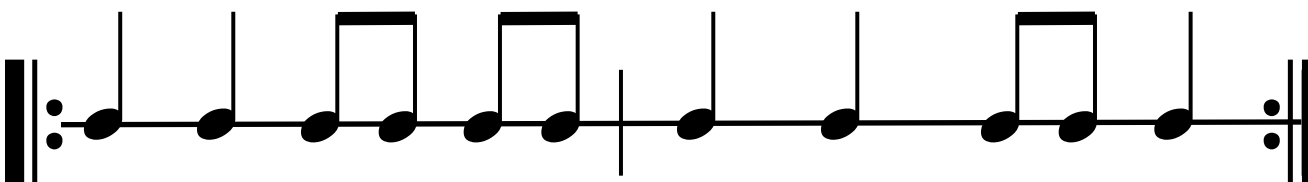

And then, it's done!  
Stamp rhythm and drop into seat
